

MARIO

Yeah, I'm telling you. The ranks of NORM is growing every day.

JERSEY

What the hell is NORM, you mean NORML? You guys trying to change the pot laws, right?

MARIO

No, I'm talking about NORM. The National Organization of Restoring Men.

JERSEY

What are you losing your hair?

MARIO

It has nothing to with losing. It's what I already lost without my consent.

TONY

This crazy fool thinks he can get his foreskin back.

PEGGY

What?

TONY

His foreskin.

PEGGY

Foreskin?

ADELE

Yes, his foreskin. The one they stole from him when he was a defenseless infant.

JERSEY

Mario, I knew you were out there but...

MARIO

Hey, they had no right to cut off my foreskin and yes, I'm still angry about it. But why shouldn't I be?

JERSEY

Mario, you got issues.

MARIO

I just want to get back what's
rightfully mine.

TONY

Well can we get back to moving?

JERSEY

Where do we start?

SHELBY

Why don't you guys start out here
and the women can start in the
bedroom.

Mario blows out a cloud of smoke.

MARIO

What about lunch? Somebody has to
get lunch.
